Gifts of Stock

If Held in Your Brokerage Account

- Inform your broker of your intent to transfer stock to an account in IIT's name. Tell your broker the type of stock and number of shares you would like to transfer. Most brokers will also require that you submit a written confirmation letter authorizing the transfer to IIT. Remind your broker to include your name with the stock transfer.
- **IMPORTANT:**
To ensure your gift is promptly recognized and acknowledged, please send a copy of the confirmation letter to the Gift Processing Department via mail to our secure lockbox:

**IIT Institutional Advancement

You may also send an electronic copy of the confirmation letter to giftadmin@iit.edu, or FAX: 312.567.5001.

- After receiving the letter, your broker will be able to transfer the stocks directly to IIT's account at Pershing, LLC.

Considerations When Making Gifts of Stock

- **Valuation**
 - Per IRS regulations, the date IIT becomes the irrevocable owner of the stock is the date of the gift. This date is used to determine the value of the stock gift
 - For publicly traded/listed stock, the valuation is the mean or average of the stock’s high and low price on the date of the gift.
 - Acceptance of international stock, restricted securities, closely held or non-publicly traded securities must be approved by the VP Finance & Controller before they are accepted by IIT.

IRS Tax Forms

- If your gift is valued over \$500, you will need to report it on an IRS Form 8283 "Non-Cash Gifts" when you file your taxes. Your tax advisor can help you with this.

Gifts of Mutual Funds

Charitable gifts of mutual fund shares confer the same tax benefits as gifts of individual stock, but there are distinctions between mutual funds and other stocks that need to be taken into account when donating mutual fund shares.

IMPORTANT:

This process can take two to four weeks to complete. Please keep this in mind if you are making this type of gift toward the end of the calendar year. We recommend beginning the transfer before Thanksgiving if the year of the contribution is important.

- Contact your account representative at the mutual fund company regarding the process of making a gift of mutual fund shares.
- Please notify Gift Processing, of your intent to transfer securities. Direct: 312.567.5000 / FAX: 312.567.5001 / Email: giftadmin@iit.edu.
 - You will need to provide the mutual fund CUSIP or symbol, the number of shares, and the contact information of the account representative at the mutual fund company.
 - Gift Processing will confirm with IIT's broker the existence of an account with the mutual fund company into which the mutual fund shares may be transferred.
- If IIT's broker does **not** have such an arrangement with the mutual fund company, you will be informed that your broker will need an account at your brokerage firm for IIT.
 - To do this, you will need to provide **IIT's Tax ID Number 36-2170136** to your broker.
 - If your broker needs further information, he or she may contact Gift Processing directly.
 - Direct: 312.567.5000 / FAX: 312.567.5001 / Email: giftadmin@iit.edu.
- When IIT confirms the account is available for transfer of mutual fund shares, you may then instruct the mutual fund company to transfer the shares.

IMPORTANT:

The mutual fund company may require from you a written letter of authorization for directing the transfer of the shares, as well as a Medallion Signature Guarantee. Sample authorization letters are provided at the end of this document.
